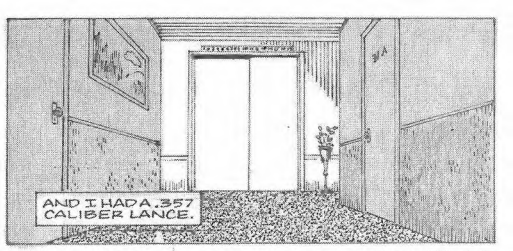
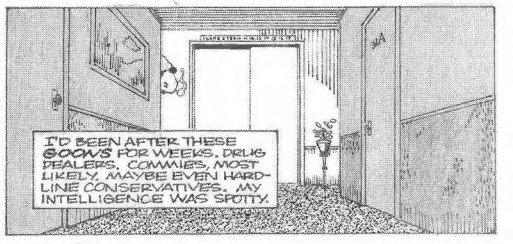
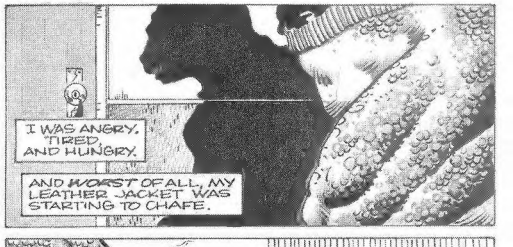
THIS IS THE CITY.
A PESTILENT BOIL FILLED WITH CRIMINAL PUS.



AND I HAD A .357 CALIBER LANCE.



I'D BEEN AFTER THESE SCUMS FOR WEEKS. DRUG DEALERS, COMMIES, MOST LIKELY, MAYBE EVEN HARD-LINE CONSERVATIVES. MY INTELLIGENCE WAS SPOTTY.



I WAS ANGRY, TIRED AND HUNGRY.
AND WORST OF ALL, MY LEATHER JACKET WAS STARTING TO CHAFE.

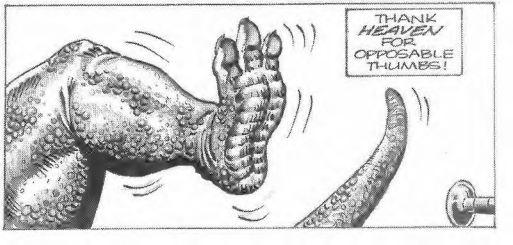
BUT I COULD ONLY THINK OF ONE THING.



THANK HEAVEN FOR OPPOSABLE THUMBS!

ROLLING THUNDER LIZARDS!

THERE LOOKED TO BE NO MORE THAN TWENTY OF THEM.
THIS WOULD BE EASIER THAN STEALING LAMBTODACTYL EGGS.
NOW, EVERYBODY PUT YOUR GUNS ON THE TABLE AND BACK UP TO THE FAR WALL. AND DON'T GIVE ME ANY REASON TO SHOOT.
THERE ARE TWENTY OF US, "THUNDER LIZARD" AND ONLY ONE OF YOU!
THAT'S 120 BULLETS TO YOUR EIGHT!
BLAM
SEVEN.
I WAS HOPING THEY WEREN'T GOING TO MAKE THIS EASY.
I SQUEEZED OFF ROUND AFTER ROUND. MY CONCENTRATION WAS INTENSE.
I WISH MY BROTHERS WERE HERE TO SEE THIS.

I QUICKLY SPENT MY WAD OF MAGNUM DEATH.

EX MUTANTS™ EXPRESS

EX-MUTANTS GRAPHIC NOVEL
Ex-Mutants Volume 1: The Saga Begins should be on sale any day now. This handsome, 96-page volume (in the same format as our **Ninja High School** graphic novel) reprints the first three issues of the original Ex-Mutants series along with a brand new full color wraparound cover by Ron Lim and Jimmy Palmiotti.

Volume 2, reprinting the original **Ex-Mutants** #4-6 is being solicited for a May release, so have your retailer reserve your copy now.

EX-MUTANTS:
The Shattered Earth Chronicles #1
The first issue of our brand-new **Ex-Mutants** saga—The Shattered Earth Chronicles—goes on sale in March. Written by Paul Ryan O'Connor—co-creator of **The Liberator**—and illustrated by Mark Matos and Jimmy Palmiotti this issue—"Back From The Dead"—introduces new costumes and new characters designed by Uriel (artist for the **Ex-Mutants Annual**) and sports a brand new cover by Ron Lim and Jimmy Palmiotti.

Ex-Mutants: The Shattered Earth Chronicles #2—also by O'Connor, Matos, and Palmiotti—features another brand-new cover by Lim and Palmiotti, and it marks the first time Lim—the original **Ex-Mutants** artist—has drawn the entire cast in their new costumes. Issue #2 goes on sale in May.

SOLO EX-MUTANTS
Solo Ex-Mutants #3 will be coming your way in April. It's an all-new adventure—written by Jonathan Grove and illustrated by Myke and Jimmy Palmiotti—starring Angela and introducing two new characters with shady pasts—Lt. Lance Burton and his mutant-eating canine, Roscoe-14. Ron Lim and Jimmy Palmiotti provide the brand new cover.

NEW HUMANS
If you enjoy Myke's pencils on **Solo #3**, be sure to check out **New Humans**. Myke becomes the regular penciller with issue #6. Paul O'Connor remains as writer, Jimmy Palmiotti as inker.

WILD KNIGHTS

The first issue of the monthly adventures of the **Wild Knights** goes on sale in March, with a cover by Dorkin and Scott Hanna.

ETERNITY NOTEBOOK

March comes in like the proverbial lion for Eternity this month with the return of the **Ex-Mutants** titles—**Ex-Mutants: The Shattered Earth Chronicles #1**, **New Humans #4**, **Wild Knights #1**, and **Ex-Mutants Annual**. More information can be found in this month's *Ex-Mutants Express*, elsewhere in this issue. All four titles feature all new art and story in a big 40-page package, with no increase in cover price. Each issue also features special sneak previews of other upcoming Eternity titles.

They're big, they're bad, and you thought they were extinct! They're **Dinosaurs For Hire**, the new series by Tom Mason, Bryon Carson, and Alex Leonine. This eagerly-awaited new series has already had sneak previews in CBG and **Solo Ex-Mutants** and you can now hold the entire 32 pages in your hot little hands! In this first issue, the Dinosaurs—Lorenzo, Reese, and Archie—go undercover in Manhattan at the request of the United States government. Armed with only a flamethrower, four or five revolvers, a water-cooled machine-gun, and a bazooka, (not to mention armored skin, spiked tails, and six-inch teeth), the trio assaults the kingpin of the New York underworld. **Dinosaurs For Hire** gives a whole new meaning to the term "endangered species"!

Also out this month is **Empire**, the epic story of 14-year-old Morgan II and his efforts to reclaim his grandfather's throne. This new adventure series is from *Ex-Mutants* writer Paul O'Connor and **Bloodwing** illustrator John Gallagher. A sneak preview of *Empire* is featured in *Ex-Mutants #1: The Shattered Earth Chronicles.*

Ben Dunn's **Ninja High School Graphic Novel** is sold out! This handsome 128-page package disappeared from shelves and warehouses in just two weeks. If you've missed it, don't fret. We'll be going back to press for a second printing in June. The Graphic Novel reprints the first three issues of the popular comic book with an all new, never-before-published 24 page story written and illustrated by Ben specifically for this volume. More good news! Eternity will be the regular publisher of **Ninja High School** beginning this summer with issue #5. Welcome to the Eternity family, Ben! We expect both the Graphic Novel and the regular series to sell out immediately, so tell your retailer to reserve your copies now!

Speaking of Ben Dunn, Eternity is pleased to announce that he'll be doing not one, not two, but three projects for us this summer! In addition to **Ninja High School**, look for an updated and slightly reworked **Tiger-X** mini-series (from Antarctic Press' **Mangazine**). Will the American rebels triumph over their Soviet overlords? Find out in this action-packed limited series! If you liked Battletech and Robotech, you'll love **Tiger-X**! And finally, prepare yourselves for an all-new sampling of Ben's art in **Bushido**, the story of telekinetic intrigue set in modern Japan. We'll be announcing more details on these projects as the spring progresses.

The Trouble With Girls, the critically acclaimed series by Will Jacobs, Gerard Jones, and Tim Hamilton, was the subject of a feature article last month in San Francisco's largest daily newspaper, the *San Francisco Chronicle*. In *Girls* #8, on sale this month, Lester's quest for the mysterious Bud Rose has led him—along with his blood-brother Apache Dick—to a lost Mayan city where he's worshipped as "The White Sun God." CBG columnist Dan Tyree called *Girls* "the best new comic of the year" adding that the only trouble with *The Trouble With Girls* is that "it's not published weekly."
